RE: Authorization for Jasco Products Company LLC to import or export merchandise
which bear GE Company Trademarks

To Whom It May Concern:

GE Trademark Licensing has granted Jasco Products Company LLC a license for products specified below to be manufactured under the GE and other GE owned trademarks.

Licensed Trademarks under this agreement include but not limited to under cabinet fixtures, accent lighting, ceiling fixtures, floor lamps, table and desk lamps, wall sconces, torch lights, timers, indoor and outdoor weather measurement products, atomic clocks, products, wiring devices, wall plates, extension cords and power cords, night lights and book-lights, lanterns, flashlights, doorbells, home automation and security products and accessories and electrical indoor and outdoor lighting products consumer electronics and computer accessories. The territory rights for sales and distribution of this merchandise include the North, Central, South America and Caribbean.

To that end, upon presenting this letter to US Customs Service Offices, Jasco Products Company LLC should be allowed to import or export those products under the GE brand.

Please feel free to contact our office for any questions you may have.
