

May 7, 2007

Model -- PLS100 - PhoneLink Wireless Dial Tone Extender System

Part # -- PLB100 - Base unit

Part # -- PLR100 - Remote unit

Our company manufactures products for industrial applications and the electric utility industry. The product listed above will be marketed only to these industries and will NOT be sold through retail channels such as Best Buy and Circuit City. Our products are not sold to individuals but to industrial and utility users.

A handwritten signature in black ink, appearing to read "Scott H. Hammond". The signature is fluid and cursive, with a long horizontal stroke at the end.

Scott Hammond
