RE: FCC ID: U3M-SCM2007\_ATCB004702 Attention:  
Kathy Grzovic

I have a few comments on this Application. Please note that further comments may arise in response to answers provided to the questions below.

1 Please note that the device is said to be a Direct Sequence Spread Spectrum Device. However, the 731 states the equipment code is DSS (FHSS) device. Direct Sequence Spread Spectrum Devices are under the Digital Transmission System (DTS) equipment code. Please correct.

Response: Please refer to the revised 731 form uploaded with this response.

2 Please note that the report also states the device is a DSS equipment code. Please note that this is a DTS equipment code. Please correct the report to reflect the proper FCC equipment code.

Response: Please refer to the revised report uploaded with this response.

3 Please note that the 15.247 FCC rules have changed significantly since Oct 2005. Thus the reference in the report is not correct and should refer to the most current rules. Please verify that all testing was performed in accordance with the latest 15.247 DTS rules and please correct the report accordingly.

Response: The reference has been updated, and the report checked to confirm that all testing was performed in accordance with the latest 15.247 DTS rules.

4 Please remove the shields from the rf circuitry in the internal photos and provide a photo of the

Response: Per the applicant, these are not shields. Please refer to the exhibit titled "FCC Picture Disclosure", uploaded as a cover letter exhibit, for an explanation from the applicant.
