RE: Speed Dragon Multimedia Ltd.

FCC: U3PSDBTU1IS11B1

After a review of the submitted information, I have a few comments on the above referenced Application. Depending on your responses, kindly understand there may be additional comments.

- 1) Users Manual appears to be missing 15.21 information. Please correct.
- 2) FYI....Current manual did not include appropriate information as required by 2.1077 for DoC. Please note that since this device is also subject to DoC, the final manual should also include this information.
- 3) It is unclear if data was shown for the bandedge emissions as the data appeared blank on pages 23 and 24. Please explain/review.
