

ARF37

Attestation for Label Visibility and Location

We declare that all products from the ARF37 range, which notably includes the items defined as follow :

Product : Wireless Digital Audio transceiver

Model – Type : ARF7531

Trade Mark : Adeunis RF ARF37

Standard Norms : IEC 60950-1 ed1

FCC ID : U3Z-ARF7531

will be shipped without the battery installed.

Therefore the user must install the battery to operate the equipment. This ensures that label will be visible to the user during initial battery installation.

We also confirm that no special tools are required to open the battery compartment to access the label.
