Gentlemen:

Assa Abloy respectfully requests confidentiality of certain materials provided with the submission of the N2-IA/IK under FCC ID: U4A-SCYICLS1 in accordance with FCC Regulations 0.459. The confidentiality request applies to the following exhibits:

10-0345 – Schematics.pdf
10-0345 – System Block Diagram.pdf
10-0345 – Theory of Operation.pdf

The N2-IA/IK has been developed at considerable effort and expense by Assa Abloy. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in black ink that reads "R. Sam Wismer". The signature is written in a cursive style with a large, stylized 'R'.
