Re: Description Change to Limited Modular Approval

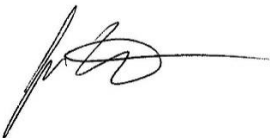

**IC: 6982A-SCYMCA1
Model Number(s): V3**

8.1 Description of Change

Channel 26 enabled through software feature.

No hardware modifications made to the PCB of the IN100, all power and ground planes remained untouched.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Forte', with a long horizontal flourish extending to the right.

James W. Forte, P.E.
