Lippo di Calderara di Reno, Bologna (IT)

C2PC Cover letter

Model: Taskbook

FCC ID: U4FTBII

IC: 3862D-TBII

HVIN: TBII

Manufacturer: **Datalogic SRL**, Via S. Vitalino, 13 – 40012 Lippo di Calderara di Reno (BO) – Italy

To whom it may concern

Taskbook is a rugged tablet solution for warehouse operations, available in 2 different sizes, 7” and 10”.

Taskbook supports Wi-Fi 802.11 a/b/g/n/ac/r (2.4 GHz and 5 GHz) and Bluetooth Wireless Technology 4.0, integrating a WiFi +Bluetooth Combo Card manufactured by Sparklan (p/n WNFQ-258ACN(BT)), having FCC ID: U4FTBII and IC: 3862D-TBII.

This C2PC Involves the following **HARDWARE MODIFICATION**:

Replacing original antennas: 2 dual band WiFi embedded patch antennas (WLAN/ BT 2.4GHz: 1 dBi peak gain, WLAN 5GHz: 1 dBi peak gain)

By new antennas with lower gain: 2 dual band customized antennas mounted on PCB (WLAN/ BT 2.4GHz: -1 dBi peak gain, WLAN 5GHz: -1 dBi peak gain)

No further HW nor SW modifications have been carried out. The maximum output power among WLAN 2.4/5 GHz and Bluetooth Operating Frequencies has not been modified and it is the same as declared in the existing Grants (FCC ID: U4FTBII, IC: 3862D-TBII).

Yours sincerely,

Ruggero Cacioppo
