**FCC ID U4G0040**

To whom it may concern,

Under the FCC ID U4G0040 the Datalogic device ELF is approved. The operational description as well as the user manual reflect the information that this device supports GSM/UMTS cellular technology and HF RF ID.

Due to marketing reasons these technologies are not implemented in the current version of the ELF device. These technologies will be added later.

Sincerely

A handwritten signature in blue ink, appearing to read 'H. Leutfeld', enclosed in a light blue rectangular box.

Holger Leutfeld, Project Manager
