Ref: FCC Class II Permissive change for FCC ID: U4G0060

Original Grant Date: June 22<sup>nd</sup>, 2012

Applicant: Datalogic ADC S.r.l.

Dear Examiner,

This is to request a Class II permissive change for FCC ID: U4G0060, originally granted on 06/22/2012.

The major change filed under this application is the integration of the DE2011 barcode reader module, equivalent to the current modules also used on the SKORPIOX3 mobile computer.

The module is fully compatible with the existing hardware of the SKORPIOX3 product and it will be used alternatively to the other modules already tested under the original Grant.

Sincerely Yours,

Ruggero Cacioppo
