

SKORPIO X5

(XLR version)

FCC declaration of similarities among the variants

Model: SKORPIO X5

FCC ID: U4GSX5XLRWB

Manufacturer: Datalogic SRL, located in Via S. Vitalino, 13 – 40012 Lippo di Calderara di Reno (BO) – Italy,

TO WHOM IT MAY CONCERN

SKORPIO X5 (rugged mobile computer with barcode reader XLR version) covers possible variants, also based on different *dock connection* features:

Variant	Difference
Gun + WiRed	related to the variant with pistol grip form factor and contact pad connections for battery charge via cradle
Gun + WLC	related to the variant with pistol grip form factor and wireless charging for battery charge via cradle

Except for the dock connection, the variants listed above are identical in circuitry and electrical, mechanical and physical construction.

The two device typologies above are equipped by the same PC Board, the same components, the same physical layout, the same Operating System.

The relevant differences among the two device typologies is the wireless charge receiver components not mounting.

We wish a unique FCC ID (U4GSX5XLRWB) for all the SKORPIO X5 (XLR version) variants will be allowed.

Lippo di Calderara di Reno,
