Hello. Please find copy of the request and response below.

Copy of requested information:

Based upon our review of this application we have the following questions:

1. Please provide a graph (plot) demonstrating compliance to the appropriate emission mask as per Part 90.210.
2. Once we have completed our review of this application we will up load all of the files to the FCC Website including the confidential ones and we will stop before we issue the Certification and send you the TC # so that you can view the files as they will appear on the FCC website before they become public. After you have checked them out you are to send us an email indicating that they are OKAY or telling us what is wrong. After you have confirmed everything is correct then we will issue the Certification.

Response

1. The test report (revision 2) has been corrected to include the emissions mask plot as requested and uploaded for your review.

Should you require any further information, please contact the undersigned.

Thank you for your consideration in this matter.

Sincerely,

Scot Rogers
