

Non-Conformities FCC ID: U62-SRS100 (CKC CS Ref # E07-000047-01)

1 A request for confidentiality was not received. This item is to inform the applicant that certain items may be withheld from public inspection in accordance with 47 CFR §0.457 and §0.459. No response necessary for this item

**Response: Confidentiality is not required in this case. The design is a reference design which is in the public domain and available to anyone.**

2 The block diagram shows two crystals: 32kHz and 16 MHz but the schematics do not show these crystals-which of these is correct?

**Response: Both the schematic and the block diagram show crystals. The 32kHz crystal is U3, indicated in quadrant D1 on page 1. The 16MHz crystal is U6, indicated in quadrant E4 on page 2. We have uploaded the schematic.**
