RE: E-TOP Network Technology Inc.

FCC ID: U6ABR130G

After a review of the submitted information, I have a few comments on the above referenced Application.

- 1) Please confirm if confidentiality is required on this application. If so, then please include an appropriate cover letter.
- 2) Users Manual appears to be missing:
 - a) FCC 2 Part statement (since it is not on the label)
 - b) RF exposure information
 - c) 15.21 information
 - d) 15.105 information
 - e) FYI...Also missing 2.1077 info for DoC.

Timothy R. Johnson
Examining Engineer

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information may result in application termination. Correspondence should be considered part of the permanent submission and may be viewed from the Internet after a Grant of Equipment Authorization is issued.

Please do not respond to this correspondence using the email reply button. In order for your response to be processed expeditiously, you must submit your documents through the AmericanTCB.com website. Also, please note that partial responses increase processing time and should not be submitted.

Any questions about the content of this correspondence should be directed to the sender.
