

DECLARATION OF EQUALITY

(Manufacturer's Declaration)

Manufacturer: Bernafon AG
Morgenstrasse 131
CH-3018 Bern
Switzerland
Telephone +41 31 998 15 15
Fax +41 31 998 15 90

The manufacturer hereby declares that the product in column **A** is equal to the product in column **B** within the conditions stated in #1-3 below:

A	B
HEARTOO 140 N	HEARTOO 120 N

1. For Hardware, platform, PCB, antenna and battery size, the hearing aid **HEARTOO 140 N** is equal to the hearing aid **HEARTOO 120 N** with regard to their electrical, EMC and RF properties.
2. The only differences are in features settings, which will neither affect the electrical Safety, nor EMC and neither the RF properties of the above-mentioned hearing aids.
3. Therefore, all electrical Safety, EMC and RF tests performed on the hearing aid **HEARTOO 140 N** are applicable to the hearing aid **HEARTOO 120 N** and vice versa.

Additional information

All products are air conduction hearing aids. They are designed to amplify sound to alleviate the handicap "hearing loss". Differences between the various models are due to different properties:

- Configuration of audiological/acoustical signal processing
- Bandwidth of audiological/acoustical signal processing
- Re-labelling.

Signed in Smørum 2018-01-04 on behalf of Bernafon AG.
