**RE: Request to Grant for FCC ID: U7GBLACKBOXBV**

Dear Sir/Madam,

Regarding Klein Electronics Inc, FCC ID: U7GBLACKBOXBV certification; we submitted a PBA (KDB 371820) to FCC on Dec 27, 2010 and got the response on Jan 4<sup>th</sup> 2011 with approval notice for this project, but since the deadline for TCB to certificate 25 kHz wideband device is Dec 31, 2010, we submitted another PBA (KDB 303359) to FCC and got the approval to file and grant this FCC ID due to the PBA was approved prior to the deadline. If you have any questions relating to this submission, please address them to the undersigned.

Thank you very much

Sincerely,

**Jennifer Paigly, Document Control Lead**
