

Pismo Labs Technology Limited

Request for Class II Permissive Change

FCC ID: U8G-P1121

Date: 2015-09-10

TO: Federal Communication Commission

Please be notified that we, the undersigned, **Pismo Labs Technology Limited** declare that the reasons for this Class II permissive change are as below:

The original host has a single module, the module has been identified and the FCC identifier is: U8G-P1121.

The new host is a wireless router, which is based on the identified module (U8G-P1121), the new host also contains another identified module (N7NMC7355), so the two identified modules in the one host and the MPE evaluation will be performed for the new host.

Thank you.

Sincerely,

By:
