Re: FCC ID: U9O-RF26X

To Whom It May Concern:

The following application is submitted on behalf of our client, Synapse Wireless Inc., for evaluation of their model RF26X for certification under FCC Part 15.247.

The RF26X is a stand-alone module consisting of a single printed circuit board which is designed to be integrated into specific host devices. The RF26X was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads "R. Sam Wismer". The signature is written in a cursive style with a large initial 'R'.

Sam Wismer
