Re: FCC ID: U9O-SM240

To Whom It May Concern:

The following application is submitted on behalf of our client, Synapse Wireless Inc., for evaluation of their model SM240 for certification under FCC Part 15.247.

The SM240 is a stand-alone module consisting of a single printed circuit board which is designed to be integrated into specific host devices. The module was tested with a 0 dBi PCB Inverted-F antenna provided by a host board.

The FCC ID: U9O-SM240 was tested in full to the requirements of the aforementioned rules and was found to be in compliance.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'. The signature is written in a cursive, flowing style.
