Ref: FCC Class II Permissive change for FCC ID: U9YAL5804

Applicant: Alereon, Inc

Dear Examiner,

This is to request a Class II Permissive change for FCC ID: U9YAL5804 originally granted on 04/07/2021.

The change under this application is the addition of 3 new antennas, the module itself has not changed and is identical to what was previously certified.

I attest that the certified device will not be capable of ad-hoc mode operation outside of the grant conditions.

Sincerely,

*Parmveer Singh*
