Delete EUT Test Mode Log file for Non-Occupancy Test  
There is no replacement because this information has been incorporated in the new test report 10U13441-1

The original DFS report was for a device with an analog interface. This new DFS report is for an identical device that has an HDMI interface instead. Only the HDMI configuration will be marketed.

Best regards,

A handwritten signature in blue ink, appearing to read "G. Kiemel". The signature is stylized with a large "G" and a long horizontal stroke.
