Re: Request for application examination for Awarepoint Tag model T3X
Applicant: Awarepoint Corporation

Application Examiner,

Awarepoint Corporation is submitting this application for the original certification their model T3X radio transceiver, FCC ID: UAG-T3X. The technical report and exhibits demonstrate compliance with FCC rules 47 CFR 15.209 as a low frequency transmitter and 15.247 as a DTS transmitter. The 15.209 transmitter has been verified per 15.201(a).

Your efforts in reviewing this application are greatly appreciated.

Best regards,
