

Date: February 28, 2008

FCCID: UB4CS101DSSC1GEN2

Form 731 Confirmation Number: EA625680

Correspondence Reference Number:

Federal Communications Commission

Authorization and Evaluation Division

**Dismissal & Refund(or Transfer Fund) Request**

Dear Officer,

**Dismissal Request:**

We would like to dismiss the following FCCID/Form731 application:

FCCID: **UB4CS101DSSC1GEN2**

Form 731 Confirmation Number: **EA625680**

**Explanation for Dismissal Request:**

This Form731 application is related to a composite product application. We erroneously thought that for composite product there should be 2 FCC IDs. So for the 2 Form 731 applications we have 2 different FCC IDs - mistakenly. On Feb 27 2008 the certification officer, Ms. Diane Poole, told us we were wrong. A composite product should only have 1 FCC ID. Therefore the original FCC ID of UB4CS101C1GEN2 should be used. She created another Form 731 (confirmation number is EA761591, with the correct FCC ID of UB4CS101C1GEN2) on February 27 2008 for us and so we have since then been uploading reports on that correct Form 731. For the previous erroneous application Diane also told us we need to send a formal letter to FCC to request dismissal of it.

**Refund (or Transfer Fund) Request:** Since we have already paid by credit card for this erroneous EA625680 Form 731 application, please see if the amount can be transferred for use with the new correct Form 731 application (EA761591). If not, please arrange for refund of the money on the credit card.

Sincerely,

A handwritten signature in black ink, appearing to be 'Al Lai'.

Dr. Albert Lai

VP of Product Engineering

Convergence Systems Limited
