Dear Sir / Madam,

This letter is to comply with 47CFR Sections 0.457 and 0.459 pertaining to confidential material. TÜV Rheinland Hong Kong Ltd. would like the following documents regarding the permissive change request for FCCID UB4CS461C1GEN2 to be kept confidential:

1. Parts list / BOM.
2. Schematics.
3. Internal Photos (non-consumer device/professional installed device).

The above material contains trade secrets and / or technical data, which would customarily be guarded from competitors of the applicant. As requested by the applicant we do not want these documents to be accessible to the general public.

Sincerely,

Derek Leung
