March 13, 2007

To : TIMCO Engineering Co.

Subject: Request for Change in FCC ID for Amateur External VHF
Power Amp, FCC ID : UB9HL-350VDX

To Whom It May Concern:

This will serve as a request for change in FCC ID.

The original device was granted on 11/26/2003 under the FCC ID: RMCHL-350VDX. There have been no changes, electrically or physically to the device. The test results for the originally approved device continues to be representative of and applicable to the equipment.

Sincerely,

Nobuki Wakabayashi
President
Tokyo Hy-Power Labs., Inc.
