It is requested that in addition to our previous confidentiality request, the following information is held Permanently Confidential in accordance with FCC 47 CFR Part 0.459 on behalf of Panasonic Mobile Communications Development of Europe Ltd.

- Bluetooth Operational Description

This document contains proprietary information relating to the device implementation used and also contains an internal photograph of the device "in-situ". This information is not customarily released to the public and physical access is restricted because the product casing is secured by security screws requiring use of a proprietary tool for removal (not freely available).

The public disclosure of this information might be harmful to the applicant and provide unjust benefits to its competitors.

Yours sincerely
