Subject: Confidentiality Request Change
FCC ID: UCE208009A

Dear Sir or Madam,

We would like to request that the "Permissive Change Details" and the "PC Confidentiality Request" Cover Letters be superseded to enable the schematic detail associated within the "Permissive Change Details" cover letter to be filed as a confidential Schematic Diagram exhibit.

This document contains trade secrets and proprietary information relating to the device implementation used in the product. The public disclosure of this information might be harmful to the applicant and provide unjust benefits to its competitors.

Yours sincerely

Mike Hargreaves
