Telecommunication Certification Body
RFI Global Services Ltd.
Pavilion A
Ashwood Park
Basingstoke
Hampshire
RG23 8BG
United Kingdom

FCC ID: UCE210030A

To whom it may concern,

The electronic equipment which is the subject of the above FCC certification request is a cellular mobile telephone with Bluetooth, WLAN and RFID supporting the following cellular frequency bands:

GSM 900MHz Voice and GPRS Data

GSM1800MHz Voice and GPRS Data

GSM1900MHz Voice and GPRS Data

UMTS FDD I 2100MHz Voice and 3GPP Release 5 HS-PDSCH (HSDPA) Data

Bluetooth and WLAN are mutually exclusive and can not co-exist. Additionally the WLAN function can not co-exist with GSM 1900MHz operation.

However, the only cellular frequency band operational in the U.S. is GSM 1900MHz, hence this application is solely related to this band plus the Bluetooth, WLAN and RFID functions.

Yours faithfully,

Mike Hargreaves
