Telecommunication Certification Body  
UL VS Ltd.  
Pavilion A  
Ashwood Park  
Basingstoke  
Hampshire  
RG23 8BG  
United Kingdom

FCC ID: UCE313058A

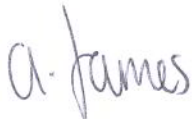

To whom it may concern,

The electronic equipment which is the subject of the above FCC certification request is a GSM/UMTS/LTE cellular mobile telephone with Bluetooth, WLAN and RFID functions. The following information relates to the spacing distances between the internal transmitter antennas.

Position of transmitter antenna relative to Bluetooth/WLAN antenna:

GSM/UMTS/LTE: Approx 10.1cm separation.

Yours faithfully,

Andrew James
