Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, MD

*We, **DeLaval International AB**, declare that this EUT (FCC ID: UCS87472702) doesn't have Ad Hoc mode function on "non-US/Canada frequencies". In addition. The frequency selection feature is disabled by firmware for devices marked to the US/Canada. For DTS part of this device, only channels 1-11 will be used in North America, Country code selection is disabled.*

Should you have any questions or comments regarding this matter, please have my best attention.

Sincerely,

*Client's name / title : Lars Hällsten/ Manager Electronic Engineering
