**DeLaval**  
 Name: Display Module  
 Model: DM223  
 Art no: 2150003556  
 Serial no: HB000005  
 ID: A48EDA600057  
 HVIN: DM223A  
 Ratings: 24VDC, 5W (output load exc), IP56

DeLaval International AB  
 P.O. Box 39  
 SE 147 21 Tumba  
 Sweden

UKCA CE

FCC ID: UCSDM223A IC: 6576A-DM223A  
 This device complies with part 15 of the FCC rules and RSS-210 of the IC rules. Operation is subject to the following two conditions (1) This device may not cause harmful interference and (2) this device must accept any interference received, including interference that may cause undesired operation.
