Subject: Requesting Class II permissive change for FCC ID: UFOOPI33011

To Whom It May Concern:

The purpose of this letter is to request a Class II Permissive change for FCC ID: UFOOPI33011, original granted on 11/05/2014.

There is no other hardware or electrical modification made to the applying modular transmitter itself except below:

Changed antenna, the antenna type is change to PCB layout, the antenna gain is lower than the original application. Changed battery, equipment name and adapter. Since the RF module has been certificated, after evaluation, above test items were criticized and reconfirmed in this report.

Please contact me if you have any questions or need further information regarding this application.
