

Dimensional drawing

Specifications

| Data | Measure |
|---|------------------|
| System Size | 145 x 83 x 80 mm |
| Pulse repetition frequency | 400 kHz |
| Transmitting elements (time division multiplexing) | 2 |
| Receiving elements (time division multiplexing) | 2 |
| Note: all the transmitting and receiving elements are internal to the system and they cannot be removed or modified | |
