FCC CLASS II PERMISSIVE CHANGE REQUEST LETTER

Date: October 2nd, 2019

To FCC:

RE: FCC Permissive II Change Request for Company: IDS GeoRadar Srl FCC ID: UFW-IBIS-KU-ETH

We are submitting an application for a class II permissive change to the FCC approval of the Company name: IDS GeoRadar Srl, product description: IBIS Sensor Unit (FCC: **UFW-IBIS-KU-ETH**, Original Grant Date: Oct 04, 2017). The transmitter module itself has not changed. Here are the changes:

Permissive change to reduce frequency range from 17.1-17.3 GHz down to 17.1-17.2 GHz through firmware. Frequency band capability of the device is decreased and there are no radio parameter changes to the radiated and conducted output power of the device, and no degradation to EMC parameters due to the decreased frequency.

Sincerely,

Title

Name: Guido Manacorda
