

Coiler Corporation

Hereby **Coiler Corporation** understands the responsibilities under Sections 22.383 for related booster/inbuilding operations.

§ 22.383 In-building radiation systems.

Licenses may install and operate inbuilding radiation systems without applying for authorization or notifying the FCC, provided that the locations of the in-building radiation systems are within the protected service area of the licensee's authorized transmitter(s) on the same channel or channel block.
