1. **Antenna:** please describe in detail how the antenna connector mounted to the EUT and each connector used on the coaxial cable, including that attached to the antenna, is unique or otherwise complies with the requirements of 15.203. If this EUT and antenna is for professional installation only, please provide a statement to that effect.

Please see the Photographs of the connector, the device use Reverse-Polarity screw thread connector, normal connector use deasil circumgyrate connection, but this device use anticlockwise circumgyrate connection, it complies with 47 CFR Part 15 Subpart C Section 15.203 and 15.204(c)(1)(2)(3) requirement.

2. **Photographs:** please provide close-up, detailed photographs of each antenna connector to be supplied with the EUT to connect to the antenna.

Please see the Photographs of the connector, I have re-uploaded it on Timco Website.
