Request for Confidentiality
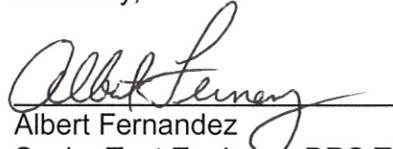

DRS Tactical Systems, Inc.
FCC ID: UGL980026010

Pursuant to sections 0.407(d)(1)(ii) and 0.459 of the Commission's rules, this letter requests confidential treatment of following material filed in support of the above-referenced application. **DRS TACTICAL SYSTEMS, INC.** requests the following documents be held as confidential until such time as the product is released per FCC Public Notice 04-1705.

➢ Product Internal photos

The information contained in the document presents information about a **DRS TACTICAL SYSTEMS, INC.** product that is being certified for commercial development. If competitors were to have access to this document both before and after release, they would have knowledge of **DRS TACTICAL SYSTEMS, INC.** proprietary technology and would be able to use this advance knowledge to their advantage. This could result in substantial competitive harm to **DRS TACTICAL SYSTEMS, INC.** ability to bring future product to market, should that decision be made.

1. Identification of any measures taken by the submitting party to prevent unauthorized disclosure.
   a. Information about **DRS TACTICAL SYSTEMS, INC.** products currently under development is considered by the company to be commercially sensitive information that employees are not permitted to discuss outside the company.

2. Identification of whether the information is available to the public and the extent of any previous disclosure of information of third parties.
   a. Information about product development is not routinely provided to the public, and no information about this product has been disclosed.

3. Justification of the period during which the submitting party asserts that material should not be available for public disclosure.
   a. We further authorize the release of the above information after the official product launch scheduled for **DATE** or a period not to exceed 45 days, whichever comes first.

Sincerely,

Albert Fernandez
Senior Test Engineer, DRS Tactical Systems, Inc.
