Note: Exhibit types that are commonly held confidential are: (1) Schematics, (2) Block Diagrams, (3) Operational Descriptions, (4) Parts List / Tune UP Info. Any exhibit NOT granted confidentiality is viewable on the FCC website as soon as a grant is issued.

Reason why the material should be withheld from public inspection:

These documents contain detailed system, equipment description and related information about the product which Wavion LTD considers to be proprietary, confidential, and a custom design otherwise not released to the general public.

State why the information is a "trade secret."

Since the design is a basis from which future technological products will evolve, Wavion LTD considers that this information would be of benefit to its competitors and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Trade secret" information is information which is not generally known or reasonably ascertainable, by which a business can obtain an economic advantage over competitors. The information is not normally released to any party or person outside the company.

State whether the information is publicly available anywhere else:

The information is NOT publicly available anywhere else

Sincerely,

Signature:
