Gentlemen,

Please be aware that it is the intention of MiCOM Labs to file this Application for Equipment Authorization as a DTS/NII Composite device. MiCOM is submitting the NII portion first for full submission along with DFS testing. At the conclusion and Granting of the NII by FCC, it is our intention to Certify the DTS part of this Composite.

In addition, please note the correction to the FCC ID: **UGM-WN124155DB-1**

If you have any questions, please do not hesitate to contact us immediately.

Best Regards,
