RE: National Electronics & Watch Co. Ltd
FCC ID: UH5M12-2771BBC
FCC Part 15 Certification
Confidentiality Request

Gentlemen:

This letter is to comply with 47 CFR 0.457 and 0.459 pertaining to confidentiality material. National Electronics & Watch Co. Ltd requests that the following documents regarding this submission for FCC ID: UH5M12-2771BBC be kept confidential:

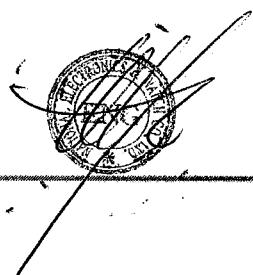

Exhibit Type	File Name
Block Diagram	Block Diagram.pdf
Schematics	Circuit Diagram.pdf
Operational Description	circuit description.pdf
Part list	BOM.pdf

Those documents contain detailed system and equipment description and related information about the product which National Electronics & Watch Co. Ltd considers to be confidential proprietary, a custom design and, otherwise, not releasable to the general public. Since this design is a basis form which future technological products will evolve, National Electronics & Watch Co. Ltd considers this information would be of benefit to its competitors, and that the disclosure of the information in these documents would give competitors an unfair advantage in the market.

Thank you for your attention to this matter.

Yours Sincerely,

Alfred Ma
General Manager

A handwritten signature in black ink, appearing to read "ALFRED MA", is written over a horizontal line. A circular official seal or stamp is positioned above the signature, partially overlapping it. The seal contains text that is mostly illegible but includes "FEDERAL COMMUNICATIONS COMMISSION" and "U.S. GOVERNMENT".
