

January 8, 2021

To the attention of:  
**Federal Communications Commission**  
Authorization and Evaluation Division

**FCC ID: UID-G36**

## **Confidentiality Request**

### **Permanent Confidentiality**

Pursuant to the provisions of Sections 0.457 and 0.459 of Commission's rules (47 CFR §§ 0.457, 0.459), ARRIS hereby requests the Commission to withhold the following attachments as confidential documents from public disclosure indefinitely.

- Schematics / Block Diagram
- Operation Description
- Software Operational Description

Above mentioned documents contain detailed system and equipment information that is considered as proprietary information. The public disclosure of above documents might be harmful to our company and would give competitor an unfair advantage in the market.

### **Short-Term Confidentiality**

In addition to above mentioned documents, pursuant to Public Notice DA 04-1705 of the Commission's policy, in order to comply with the marketing regulations in 47 CFR §2.803 and the importation rules in 47 CFR §2.1204, while ensuring that business sensitive information remains confidential until the actual marketing of newly authorized devices, ARRIS hereby requests the commission to grant short-term confidentiality on the following attachments for 180 days after the grant.

- External Photos
- Internal Photos
- Test Setup Photos
- User Manual

It is our understanding that all measurement test reports, FCC ID label format and correspondence during certification review process cannot be granted as confidential and will be available for public review once the grant of equipment authorization is issued.

Sincerely,

A handwritten signature in black ink, appearing to read "Thomas Kelleher".
