This class B device complies with Part 15 of the FCC
rules and Industry Canada requirements. Operation is
subject to the following two conditions:
(1) This device may not cause harmful interference, and
(2) this device must accept any interference received,
including interference that may cause undesired
operation. This Class B digital apparatus complies
with Canadian ICES-003. Cet appareil numérique de la
classe B est conforme à la norme NMB-003 du Canada.
