Re: FCC ID: UIDGWM

To Whom It May Concern:

The following application is submitted on behalf of our client, Arris International, Inc., for evaluation of models TG852G/CT and TG852G for certification under FCC Part Part 15.247.

The TG852G/CT and TG852G are Touchstone Wireless Telephony Gateways which include 802.11b/g/n 2.4GHz MIMO 2x3 wireless networking. Models TG852G/CT and TG852G are identical in electrical construction and design and differ only in slight modifications to the enclosure for end user mounting.

Sincerely,
