Re: FCC ID: UIDTG862

To Whom It May Concern:

The following application is submitted on behalf of our client, Arris International, Inc., for evaluation of models TG862G/CT and TG862G for certification under FCC Part 15.247.

The TG862G/CT and TG862G are Touchstone Wireless Telephony Gateways which include 802.11b/g/n 2.4GHz MIMO 2x2 wireless networking. Models TG862G/CT and TG862G are identical in electrical construction and design and differ only in slight modifications to the enclosure for end user mounting.

Sincerely,

A handwritten signature in black ink that reads "R. Sam Wismer". The signature is written in a cursive, flowing style.
