## Class II Permissive Change Attestation

FCC ID: **UK7-DW2**

IC: **6708A-DW2**

The intension of this Class II Permissive Change Attestation is to add **1 different model** to our device: **Smart Watch**, certified under FCC ID: **UK7-DW2** and IC: **6708A-DW2** (**originally granted on Aug. 05, 2016**). The differences between the original model and the newly added ones are as listed below:

Model	Brand	Antenna Gain
DW2a (original)	FOSSIL	-4.05 dBi
<b>DW2e</b>	<b>FOSSIL</b>	<b>-6.05 dBi</b>

Except for the changes mentioned above, no other modification is performed. Also, the changes do not have impact on the approved radio parameter such as power, frequency range, modulation etc. In addition, each model will have its verification reports and will proceed with Class II Permissive Change application separately for FCC and ISED approvals for Grants and certificates.

Should you have any enquire or comment, please have my best attention.

Sincerely Yours,

**Christopher King** Vice President, Chief Compliance & Risk Officer
