Attestation Letter

TO WHOM IT MAY CONCERN:

We, Fossil Group, Inc. declared our product, Smart Watch, model numbers DW6F1, DW6A1, DW6D1 and DW6B1 contained an identical PCBA. The only differences between these models are the color, strap material, and the chassis. These differentials are mainly for marketing purpose, there is no change in radio frequency, conducted RF output power, radio frequency circuitry, and functional capabilities, the only difference is the antenna gain for each model and they are as below:

Model	BT/BT4.2/WLAN
DW6A1	-7.22 dBi
DW6B1	-8.86 dBi
DW6D1	-7.76 dBi
DW6F1	-7.03 dBi

Sincerely yours,

Christopher King
