Re: Supersede request for FCC ID: UK7-NDW5; Granted on 06/16/2021

To Whom It May Concern:

We regret to inform you that due to slip of type, we have submitted the wrong **Test Report_rev** exhibit to the filing.

To prevent misunderstanding to the public, we would like to request the FCC to supersede the exhibit described as **Test Report_rev2**.

We just revised LE 4.0 to LE 5.0 in page 7 and page 15 because of slip of type. There are no other changes.

If you have any questions, feel free to contact us. Thank you.

Sincerely yours,
