NO.: AN06T6247, Notice#1

Question #1: The user manual does not contain FCC15.19 labelling information and 15.21 user information. Please revised the user manual.

**Ans: Please find the updated file.**

Question #2: The request for confidential letter lists an incorrect FCC ID. Please update the confidential letter.

**Ans: Please find the updated file.**

Question #3: This is for your information. On Form 731, the product code is not a FCC Identifier, for this case, you should enter "-TPV03" as product code, not "ULZ-TPV03".

**Ans: Thanks you for offering this information to me. I will notice afterwards.**

Best Regards,  
Helen Zhao
