Dear Sir / Madam:

Re: Class II Permissive Change filing with FCC ID: (FCC ID)

The purpose of this application is to apply for a Class II permissive change to the PSR-1400 (product) certified under FCC ID UMN-PSR-1400 in accordance with 2.1043 of the Commissions rules.

The changes made to the product are summarized below and have been described fully in the exhibits submitted with this filing.

The purpose of this filing was to demonstrate compliance with the FCC RF exposure requirements in a mobile configuration (>20 cm separation distance) by actual measurement and to show that the 20 cm distance is provided by the protective radome.

The product has been retested and found to continue to comply.

Please do not hesitate to contact me should you require any further information.

Sincerely

A handwritten signature in black ink, appearing to read 'Shoshana Goldberg', with a long horizontal flourish extending to the right.

Shoshana Goldberg,
Project Manager
Amphitech Systems.
