

U-NII Client in Non-Associated Mode

February 20, 2023

Attention: Application Examiner

RE: U-NII Client in Non-Associated Mode  
Applicant: Lytx, Inc.  
FCC ID: UO3-UN1CXC

To Whom It May Concern:

We, Lytx, Inc., declare that our DriveCam Event Recorder DC-7000-002 operates under the definition of a DFS client device without radar detection.

The client software and associated drivers will not initiate any transmission on DFS frequencies without initiation by a master. This includes restriction on transmissions for beacons and support for ad-hoc peer-to-peer modes.

Sincerely,
